

Student E- Diary

We are available on internet to the parents for ensuring day to day interaction with teachers. Each information related to academics or non- academics is delivered to students by e-platform. It facilitates the following services:

- 24/7 availability.
- E-diary is available to students, parents and teachers all day, every day.
- Saving time.
- Grading and activity documentation system.
- Coordination in planning of curricular activities.
- Transparency in communication.
- Information security.
